

NEW BUS ROUTE 30 Northside Circular

How Does The New Bus Route Work?

The new **Route 30** bus will travel along the route shown on the map (heavy black line). Set bus stops are indicated by the **blue** stars. You can get on the bus at any of these stops.

- Pick you up from a designated location. The operator will tell you where to go to catch the bus when you call.
- Take you to anywhere along the designated circular route within the zone, which includes locations such as Ingles, the Veteran's Clinic, the Driver's License Office, Coile Middle School, Pinewoods, Kroger, etc.
- Take you to where you can transfer to another Athens Transit Bus. Route 30 can connect with these other routes:
 Bus 1 - North Avenue (at Fowler & Freeman)
 Bus 8 - Barber/Chase (at the CVS on North Ave)
 Bus 24 - Athens Tech (at Kroger)

If you are not near one of the designated stops (**blue** star) but you live within the **orange** zone, you must call for a pick up at **706-613-3439** at least an hour before you need a ride.

Operators will help you schedule your ride and let you know where to go to catch the Route 30 Bus.
