## **IV. Riding The Lift**

---

### **Fares**

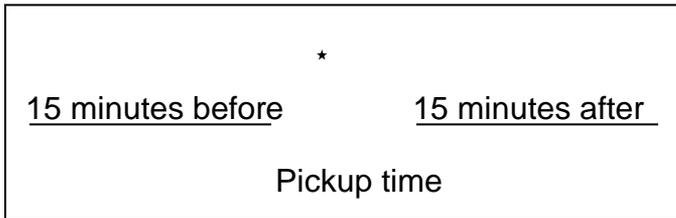

All riders must pay a fare. Only a Personal Care Assistant (PCA) traveling with an ADA certified rider is carried free of charge. Fares for the Lift are twice the fare for the same trip on the fixed route bus. When a ride is scheduled, the dispatcher can tell you the exact amount of the one-way fare.

Your driver will not provide change for over-payment of fare; the exact cash fare is required. You also may purchase a 10-trip booklet at the Athens-Clarke County Transit Department - 325 Pound Street, Athens, GA 30601.

### **Pickup and Drop Off**

You can expect to be picked up within a 30-minute

“window” of your scheduled pick up time. You should be ready to board the vehicle at the beginning of your “Pickup Window”.

A paratransit vehicle arriving any time within the pickup window will wait up to 5 minutes for the passenger. It is important to remember that buses arriving within 15 minutes before or 15 minutes after the scheduled pickup time are considered on time and within the time window. Should a vehicle arrive early (before the 30 minute pickup window), you are not required to board until 15 minutes before the scheduled time (at the beginning of the pickup window).

A pick-up is considered on-time if the operator arrives anytime within the thirty (30) minute window. Drivers are required to wait for five (5) minutes once they arrive at a location for a passenger. Drivers will depart after five (5) minutes if the customer is not present. Customers will not be marked a no-show if the vehicle arrives outside the thirty (30) minute window.

**NOTE:** You will not be considered a “no-show” if you refuse a ride that arrives later than the 30-minute

window.

## Boarding with a Mobility Device

**All vehicles are equipped with passenger lifts that meet ADA specifications. Lifts will only accommodate three or more wheeled devices. Mobility devices that exceed these standards or described by FTA 49CFR Part 38 as legitimate safety concerns are mobility devices that block the aisle or interfere with safe evacuation of passengers during an emergency; or fail to fit into securement area.**

- If you need a passenger lift to board a vehicle, the driver will assist you. All drivers are trained to operate the lift.
- If needed, you may also board the vehicle while standing on the lift.
- For your safety, please make sure your wheelchair or other mobility device is maintained in accordance to manufacturer's specifications.

## **Transporting Packages**

The vehicle will be shared, riders should limit their parcels to one armload, or the equivalent of 2 grocery bags. Packages must be transported on your lap or under the seat. **Athens-Clarke County will carefully review each No-Show received to determine if it is valid or beyond the riders control according to ADA guidelines. If your PCA cannot help you to control your behavior, and/or a safety problem continues to exist, your service may be disallowed.
