

## March Notes

### Roll Out the Barrels Seeking Artist

Every year, ACC Stormwater partners with the ACC Water Conservation Office to host [Roll Out the Barrels](http://athensclarkecounty.com/3018/Roll-Out-the-Barrels) [http://athensclarkecounty.com/3018/Roll-Out-the-Barrels], an auction that raises money for the Green School Program and raises awareness about stormwater runoff and water conservation. This year, Roll Out the Barrels will take place on Thursday, May 26, from 5 to 8 PM at Southern Brewing Company. Bid on a beautifully painted barrel or pick up some green gardening information.

Barrels are available for two more artists. If you have an artistic bent and love water, send an email to [stormwater@athensclarkecounty.com](mailto:stormwater@athensclarkecounty.com). Include a short statement of interest and provide an example of your work. All applications must be submitted by March 15.

### Stormwater Steward Award Nominations Close March 15

We are accepting applications for the 2016 Stormwater Steward Award through March 15. If you know a person, business, or organization that went above and beyond for stormwater and water quality in Athens-Clarke County last year, [fill out an application](#) [http://www.athensclarkecounty.com/DocumentCenter/View/32361?platform=hootsuite]. Help ACC Stormwater shine a light on all the good work that happened last year.

## Stormwater Events

### Clarke County School District Elementary Young Scientist Fair Saturday, March 19, 8:30-11:30 AM Alps Road Elementary

The Clarke County School District Elementary Young Scientist Fair is a day of science competitions, hands-on science activities, demonstrations, and presentations. Athens-Clarke County Stormwater will be there with a water pollution activity and pollution prevention information. The Young Scientist Fair is open to all K-5 Clarke County students and their families.
