

## **13A - Areawide Stormwater Improvement Program**

---

**Original Project Total Cost: \$ 18,727,000**

**Total Operating Cost: None**

---

**Alternate Project Total Cost: \$ 9,363,000**

**Alternate Total Operating Cost: No change**

---

**Project Description:** This project is a lump sum project, and the alternate would reduce the number of flood mitigation and water quality improvement projects by half.
