

22A - Pedestrian Improvements Program

Original Project Total Cost: \$ 11,443,000

Total Operating Cost: None

Alternate Project Total Cost: \$ 7,680,000

Alternate Total Operating Cost: No change

Project Description: Both the original and alternate projects are lump sum projects to implement pedestrian facilities throughout Athens-Clarke County. Projects are to be identified in the Mayor and Commission accepted Athens in Motion Plan (accgov.com/athensinmotion). The alternate project represents a 1/3 reduction in overall costs.
