

## **53A - Transit Bus Stop and Transfer Facilities Improvement Program**

---

**Original Project Total Cost: \$ 5,749,000**

**Total Operating Cost: \$ 430,000**

---

**Alternate Project Total Cost: \$ 2,874,000**

**Alternate Total Operating Cost: \$ 215,000**

---

**Project Description:** The Project could be reduced by 50% of the original request to \$2,874,500. That said, half of the originally proposed improvements would be eliminated. This will reduce the number of individual bus stop improvements proportionally across the community and remote transfer facilities that could be built.
