

57A - Athens West Park

Original Project Total Cost: \$ 44,283,000

Total Operating Cost: \$ 769,000

Alternate Project Total Cost: \$ 1,810,000

Alternate Total Operating Cost: \$ -

Project Description: This alternative proposal reduced our Athens West Park to land acquisition only. The land costs will only continue to rise and become more scarce on the west side of Athens. Acquiring the land will be the foundation on which the park can be built at a future date with alternative funding.
